five mile

**everything
for holidays.**

Otago's classic summer heat has been teasing us this month as we gear up for an incredible holiday season, and Christmas shoppers are beginning to appear around Five Mile. We hope everyone is feeling the end-of-year excitement as much as we are!

99% of fivemile leased

Only two spaces are left for lease in the precinct following the success of Five Mile's leasing programme. Available as premium F&B spaces, they stand out as a remarkable opportunity for hospitality growth in Frankton.

"It's all about adding depth to the menu offering for our customers," says leasing manager James Kermode.

'all about the bike' at alta

World-class biking and hiking trails around Five Mile are getting busy as summer arrives. With a fully equipped bike workshop, the team at Alta can sort all your trail needs with their knowledgeable guidance on top international brands, and a wide range of rider equipment, clothing and parts.

Alta has a vast range of bikes from full-suspension, kids and e-bikes. All the bikes, all the gear, everything outdoors!

pure milk on tap

For a refreshing summer bevvy head over to Billy's Espresso for fresh juices, iced coffees, smoothies and delicious iced teas.

Owners Bevan and Felicity are supporting young entrepreneurs from Kiwi startup Spout in bringing zero-waste milk to their customers. Premium milk is delivered in 10L kegs from local Windy Ridge Farm and hooked up to an 'on-tap' dispensing system, making plastic milk containers a thing of the past.

"It's milk in its purest form, customers love it, and we've saved 2765 bottles from going to landfill," says Bevan.

the new zealand golf open

Next year's New Zealand Open has found a major sponsor in Craigs Investment Partners and Sudima Hotel is delighted to return to the partnership programme.

With Craigs' ongoing involvement in charity golf events, their partnership reflects the strengthening of new connections with our local communities.

Expect to see pro-golf athletes around Five Mile this summer as Sudima accommodates top players with the tournament being held from February 29 to Sunday March 3 at Millbrook.
